From the desk of the Salon Chairman

Photography, as an art form, has always held a unique place in human culture. It is not merely the act of capturing an image, but the practice of preserving a moment, a thought, or an emotion in a way that transcends language and geography. It is a universal medium of expression—one that allows us to communicate ideas, celebrate beauty, and reflect upon the world around us. The Himalayan Camera Club, Siliguri, through the HCC National Salon of Photography 2025, continues to uphold this tradition by providing a platform where creativity and vision converge.

This year's salon has been remarkable in both scale and quality. We were privileged to welcome 286 entrants, whose collective passion resulted in the submission of 4167 images. Each entry represents not only technical skill but also the personal journey of the photographer—an exploration of light, form, and meaning. The diversity of themes and perspectives enriches the salon, making it a true celebration of photography as a general art form.

I wish to extend my deepest gratitude to all participants for their enthusiastic involvement, which has elevated the stature of this event. My thanks also go to the Federation of Indian Photography, to the FIP-recognised clubs and groups, whose continued support strengthens the credibility and reach of our salon. I am indebted to our honourable jury members, whose discerning eyes and thoughtful evaluations ensure that excellence is recognised and celebrated. The seamless organisation of this salon would not have been possible without the technical partnership of our web companion, PixelClash, whose expertise has been invaluable.

Above all, I acknowledge with pride and appreciation the members of the Himalayan Camera Club. Their dedication, tireless efforts, and unwavering commitment have been the cornerstone of this success. It is through their collective spirit that the HCC National Salon of Photography 2025 has become not only a competition but also a gathering of minds and hearts united by a shared love for the art of photography.

 HCC NATIONAL SALON 2025

Message from the Salon Secretary

I am charmed to present a detailed report regarding our HCC National Salon 2025 which is affiliated to Federation of Indian Photography; this time is my first experience as a Salon Secretary.

Photography is a powerful art form that allows us to express ideas, emotions, and the beauty of life through images. At the Himalayan Camera Club, we believe that photography helps connect people and cultures in a meaningful way.

Through the HCC National Salon 2025, our aim is to promote club photography and encourage photographers to grow by learning, sharing, and healthy competition. To encourage wider participation and appreciate more creative work, we are pleased to offer 10 additional awards and Cash prizes in addition to the regular prizes at this salon.

This time we had as a maestro judge like Dr. B.K. Sinha, and accompanied by other eminent judges namely Adit Agarwal, Akhil Hardia, Suniel Marathe and our beloved Dada Abhijit Dey. I believe you all know that there is no need to rewrite their degrees in the field of photography. This is my first time having such an wonderful experience.

We were hopeful that every photo enthusiast would participate spontaneously, and that's what happened. In our salon we received more than four thousand photographs in five different sections.

I would like to extend my heartfelt gratitude to the HCC Executive Committee, the Salon Chairperson for their untiring commitment and dedication. This event would not have been possible without their inspiring efforts. As in every year, our webmaster was Team Pixel Clash. Team Pixel Clash has been an equal partner in the success of our salon.

Thank you for giving me this opportunity to serve as Salon Secretary, and I look forward to contributing to the continued success of HCC Salons in the future.

We thank all honored judges, photographers and our members for making this salon a success and wish everyone the very best.

Warm regards,

Amit Dey
Salon Secretary
